

HydraTape is a polyethylene coated cloth tape with an aggressive pressure sensitive natural rubber adhesive.

It has a strong reinforced backing, and a tough moisture resistant shell. It makes watertight connections and provides super flexibility.

HydraTape can be cut to size with a knife or torn by hand . Apply tape carefully, smoothing out any pockets or rolls.

HydraTape comes in a width of 2-inch x 60 yards. Comes in a box quantity of 24 rolls.
